AGM

Yes! It's that time of year again, when you get your chance to have a say in how Weston & North Somerset MAG is run.

Our AGM will be held at The Railway Inn Sandford on the 16th November, but remember no current MAG membership card **NO** vote.

If anyone would like to serve on the Groups Committee please come forward.

GWR Rally

At a recent meeting the decision was taken to run the GWR rally for another three years, so at the AGM a Rally

Committee will also be elected, so if you would like to be involved please come forward.

**Winter Advice from the DfT
Make time for winter**

Time to get to work, time to get home. When the weather isn't great, travelling can take a little more time. By spending time preparing for the snow and ice, we can all help keep the country on the move.

Countdown to an easier winter journey
The Highways Agency is prepared. They have a fleet of over 500 winter service vehicles on standby and they work with the Met Office to provide vital information.

Are you prepared? Check your vehicle is ready for winter too - and always carry an emergency kit.

Before you set off - just a few minutes checking the weather forecast and traffic reports for your journey could make all the difference.

Plan your journey around the weather as it provides the Highways Agency with the time and space they need to get ahead of you and keep the network clear for you.

Be informed - check traffic and weather updates

Be prepared - check your vehicle is ready for winter and always carry your emergency kit

Be aware - in severe weather our winter teams need the time and space to do their job

Be wise - conditions may change, drive with care

More info can be found at:
<http://www.highways.gov.uk>
<http://www.dft.gov.uk>

Be safe out there this winter.
