**GWR Rally**

The rally committee has had their first meetings and things are progressing.

An official rally poster will be out soon, to be posted wherever possible.

This year due to lessons learned at last year's event at the new rally site, it has been decided not to allow cars to be brought along. However there will be one or two for rally staff who have to pick up stuff from our suppliers etc.

Also this year there is to be a strict 200 limit, and only the first 100 to prebook will get a rally patch.

The Pay Pal booking system is now in operation, which along with all the rally details, which can be found on the Weston & North Somerset MAG website.

**Bristol Classic Bike Show**

For the second year running Taunton MAG ran a MAG stand at the show where they did quite well signing up several new members, but due to a shortage of folk to man the stand on the Sunday Debz, Mary and Keith helped out .

The Troll was to be found down on the NABD stand along with his Beemer.
