Bike Parks

There is now more bike parking spaces in Weston-super-Mare, space for around

6-8 bikes has been marked out in Melrose Car Park.

There are to be minor changes to the main bike park on the sea front improving the entry and exit, this work is to be carried out due to the proximity of a bus lane that will be inserted in the island where bikes currently park if there is no room in the bike park.

The Carlton Street car park is to be rebuilt as a multi story car park.

But Scallies will still have its own Bike Park.

Bike Nights

The Bike Nights run by the RBLR return in May, and it is our intension to have a MAG stand at more of the bike nights than we have done previously.

So if you'd like to help please let us know.
