

## **The Motorcycle Action Group Fighting for Riders Rights**

**June 2012**

### **More Non Slip Manhole Covers**

North Somerset Council has installed more of the non-slip manhole covers (eight in total) on the bridge over the railway in Aspen Park Rd, Weston. According to North Somerset Senior Engineer Paul Watkins, there were

continual maintenance issues at this location, and the covers are in the centre line of the road.

North Somerset Council will be monitoring these to see how they stand up to the conditions.

Also, the work to install bus lanes etc around the main seafront motorcycle park on the sea front commenced in mid May. The motorcycle park will remain open whilst the work is being carried out. All the best, *Soggy John*.
