

## *The Motorcycle Action Group Fighting for Riders Rights*

**July 2012**

### **Demo Run**

Several group members met in Weston to ride down to Taunton Deane Services for the “EU Hands Off” Demo held on the 24<sup>th</sup> June.

Where, along with others they joined the over 200 strong gathering, also there where contingents from the other groups

within Western region MAG, as well as many non MAG folk.

Despite the dismal projections of the weathermen, the day turned into somewhat of a gloriously hot summer's day, of which we've had to few.

Apart from the serious matter of showing the EU exactly what we think of

meddling in things they have absolutely no inkling of, everyone taking part enjoyed the Demo Run

### **The Shed**

The Group has acquired a shed to store the GWR Rally Marquees in, which came as a kit, so a band of us went out to the rally site to erect said shed.

After a few hours work the Shed was soon up and being filled with canvas and poles (Marquee poles that is!).

### **Farmyard Rally**

Those hardy souls who traveled up to Yorkshire for the Farmyard Rally enjoyed the adventure even though it became somewhat muddy.
