### **Rally Van Taz Tik**

The MAG stand was at the Van Diemens Rally, which was manned by Debz and The Troll, where a new member was signed up and info handed out

The Rally seemed a tad quiet, which was probably down to the appalling weather over the preceding weeks and the economic climate.

### **Bike Nights**

Now the weather has finally improved, the numbers attending the Bike Nights run by the RBLR have increased.

It has been a bit frustrating with the weather keeping attendance down to as low as 10, but now it's risen to between 500 and 900 bikes.

### **Calne**

Several of our members rode up to the annual Calne Bike Meet as a group and spent the day wandering round all the bikes, and looking in on the MAG stand.
