Sadly Gary passed away after a long battle with Cancer; Gary was a long time MAG member and could be seen on many runs flying the MAG Flag on his bike.

Deb Rose the group Rep said “Very very sad to say goodbye to a lovely guy and friend of many years, ride free Gary.”

Our condolences go to Gary’s family at this sad time.

I shall certainly miss seeing him down at the Weston Bike Nights Ride Free Gary.

**North Somerset Parking Standards
Planning Document**

Motorcycle Parking has a section all of its own in the councils Parking Standards Supplementary Planning Document, which covers non residential developments that should have a minimum of 3% motorcycle parking available.

The document can be found on their website at: http://www.n-somerset.gov.uk/Environment/Planning_and_development_management/Documents/Advice%20and%20guidance%20note/s/Parking%20Standards%20SPD%20web%20FINAL.pdf

On the whole it looks pretty good, we can only hope the advice is followed by any developers where car parking is required as part of any future development.

GWR Rally

Well the patches have arrived, and very good they look to, to obtain your special Tenth GWR Rally patch all you have to do is pre-book your GWR rally ticket. But don't delay because there's only 100 of them, and when their gone there's no more, so book early to avoid disappointment.
