**Ride to Sprint meet**

Bill made a trip down to Westonzoyland with Keith & Rob. Bill enjoyed the day sooooo much he went back on the next day with Debz, I met them

down there. Also down for the day was Tim & Sarah from Taunton MAG and Ian Mutch.

This is a great event where you can get close to the action, walk around the pits & talk to the riders about their bikes. The racing attracts all types of people. Serious contenders with big budgets. Fun riders on whatever they can lay their hands on. The young, old, male & female. A great fun day well worth looking out for, Their was a MAG member competing, think it was Dan from Bristol MAG. *John Bennett*

**Visit to Riders of Bridgwater**

A few members of our group rode down to Bridgwater Riders for the launch of the new Harley Street 750, Taunton group &, once

again, Ian Mutch. A few of our members were quite taken with the new offering HD. Although more time was spent eating food, drinking coffee & taking the piss out of each other than admiring the bikes on offer! *John Bennett*
